SUMMER JOB AND HOLIDAY GUARANTEE

Finland's greatest youth experience, Roihu, is organized by the Guides and Scouts of Finland and will culminate in the 7th International Finnjamboree Roihu, a camp in Evo, Hämeenlinna in July 2016.

Finnjamboree Roihu has a summer job and holiday guarantee. This means that if a person enrolled cannot attend the camp because of work assignments, they will be able to cancel their enrollment until May 31st, 2016. The camp fee will then be fully refunded.

Reasons for cancellation accepted are among other things getting a summer job, not having a holiday during the camp or getting employed after the normal enrollment cancellation date (March 31st, 2016).

The summer job and holiday guarantee is applicable for everyone with a staff position in Roihu. When applying, your Roihu manager and troop's Roihu contact person should be informed as soon as possible.

I confirm that _____ is under contract and working during the period of July 20th to July 28th, 2016.
